

Dear Friends,

Seasons Greetings! The weather changes remind us that the holidays will soon be here. It's a beautiful season and a time to be grateful for all our blessings. It's also a time when those who are less fortunate are foremost in our minds.

Lexington Community Foundation recently hosted its annual fall luncheon. It's a time to thank our patrons for your continued support; for without it, the Foundation could not reach its goals. Those who attended were treated to a short preview of a joint project between the Foundation and several Lexington High School students. It's a video highlighting the community of Lexington and what makes it a great place to live. It is very clear that you, the people, with your warm, generous hearts, and your can make it happen attitudes are what make this community great!

The Foundation received funds on behalf of over 75 organizations and causes during Give Big Lexington in November. Donations of all sizes were given by young, old, groups, organizations, and businesses, all wanting to support and improve our community, our home - Lexington. Thank you for your unwavering support of the Foundation as we continue connecting generations, linking cultures, and uniting our community.

Remember to consider the Foundation in your end of year giving as well as throughout the coming year. We have many options available to you as you work through estate planning as well. You can ensure that the causes closest to your heart will continue as the years move forward.

Again, thank you for all your support. Enjoy your holiday season.
