About Give BIG Lexington

Lexington Community Foundation's Give BIG Lexington challenge is a unique, one-day event encouraging donors to be part of the biggest day of giving in this area by making a donation to the local nonprofits of their choosing. Every contribution will be increased by a proportional share of the \$50,000 match pool of funds provided by Lexington Community Foundation and all who contributed to the Foundation's Key '11 event.

Additionally, three organizations having the greatest number of unique donors (not necessarily the highest dollar contributions) will receive bonus grants - \$2,500, \$1,500 and \$1,000 respectively. Built on the successful models from other cities, Give BIG Lexington will raise money for the community, bring awareness about our local causes and help make our region a more vital place to live.

For 17 hours on November 17, Give BIG credit and debit card donations can be made online through Lexington Community Foundation's Give BIG Lexington site: givebiglexington.razoo.com The site includes information about local nonprofit organizations working on a broad range of issues: Arts & Culture, Basic Needs, Economy, Education, Environment, Health & Wellness, and Neighborhoods & Communities.

Online donations made through givebiglexington.razoo.com can be made to multiple causes easiest by creating a log on. You will need to complete each transaction separately, but your information will be securely retained so you don't have to re-enter it each time.

Cash and check donations delivered to the Lexington Community Foundation office on the 17th between 8:00 a.m. and 5:00 p.m. will qualify for the match funds and will count toward the bonus grant challenge.

Give BIG Lexington is set up so that nonprofit organizations receive the maximum benefit.

We have chosen the 17 hours of giving on Thursday, November 17 for Give BIG Lexington.
