

Give BIG Lexington At-A-Glance

About Give BIG

Give BIG is hosted by the Lexington Community Foundation. Every participating cause has a giving page through givebiglexington.org, which helps individuals, groups, and businesses discover and donate to nonprofits serving the area all year. The Give BIG 2026 campaign kicks off on September 14th and will culminate in a 24-hour giving event on November 12th.

The purpose of this community-wide giving challenge is to raise awareness of current philanthropic needs and opportunities in our community, build the capacity of local nonprofits, and inspire donors to support causes. Together, we have the power to raise thousands of dollars for the future of Lexington.

Who Can Participate?

Any nonprofit organization or community betterment project that serves Lexington is welcome to participate. This includes health and human service organizations, arts and culture, children and families, education, animals, parks, and recreational organizations showing impact. Organizations that exist primarily for religious or political activities are excluded.

How To Register?
